

Thank you for renewing your school's subscription to Cyber Civics! If you are already subscribed you don't have to do anything! New materials will be uploaded by 8/1, use your existing username and password to access them.

Any teacher who does not already have an account OR who will be teaching a new level can follow the easy steps below.

Watch the video that walks you through these steps:

<https://www.cybercivics.com/instructor-login>

Next you'll see "Course Overview." This main menu gives you access to all materials. Be sure to do the required viewing and reading first. As you move through the course, checkmarks will appear, letting you know which lessons you've taught (if you are a returning teacher and want us to leave your checkmarks from the previous year intact, contact us asap).

Please bookmark this page!

Curriculum About This Course

Course Overview

- Syllabus *optional*
- ELA Standards Alignment *optional*
- Foundational Research *optional*

Student Pre- and Post-Assessment

- Student Assessment *optional*

5

When you select a lesson, a page like the one below appears. You'll find Google Slides for the lesson, and under "Downloads" you'll find the Lesson Plan, Student Packet (fillable PDF forms) and Homework (for some lessons).

The screenshot shows the 'Lesson 1: De-Tech-Tive Work' page. The sidebar on the left lists various course materials, with 'Lesson 1: De-Tech-Tive Work' selected. The main content area includes the lesson title, a description of the objective, learning objectives, and an introduction to the lesson. The right-hand panel shows 'Downloads' with three items: '1. De-Tech-Tive Work Lesson Plan.pdf', '1. De-Tech-Tive Work Student Packet.pdf', and '1. De-Tech-Tive Work Homework.pdf'. A yellow circle highlights the 'Downloads' section.

Don't hesitate to ask for help!

We offer **complimentary online tutorials** if you need help. We give **professional development webinars** and **parent presentations** too. Be sure to join the Cyber Civics Instructor Facebook Group: <https://www.facebook.com/groups/cybercivics>
