**“READ THIS BOOK, KEEP IT BY YOUR NIGHTSTAND, OR EVEN PASS IT ON TO OTHER PARENTS. BUT MOST IMPORTANT, APPLY WHAT YOU ARE ABOUT TO LEARN.”**

—Dr. Michele Borba, internationally recognized educator, speaker, and bestselling author

Snapchat, Instagram, Fortnite, cyberbullying, sexting, and technology addiction are some of the digital concerns that keep today’s parents up at night. That’s why they need the help and hope that **RAISING HUMANS IN A DIGITAL WORLD: HELPING KIDS BUILD A HEALTHY RELATIONSHIP WITH TECHNOLOGY** offers. Packed with discussion topics and enjoyable activities that any busy family can integrate into their daily routine, this book helps parents teach their kids how to use digital technologies safely and wisely.
