CYBERCIVICS™
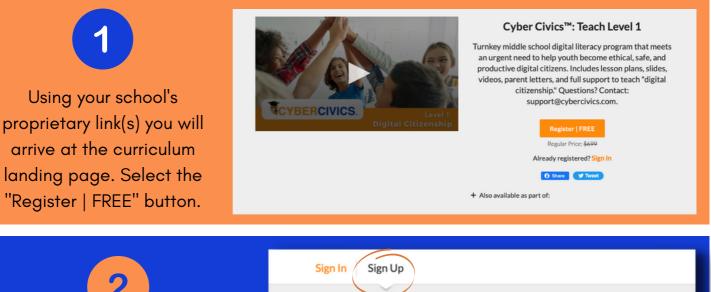

Welcome to Cyber Civics! Getting started is easy. Simply use the proprietary link(s) we sent to your school's primary contact person (via email) to enroll. Follow the steps below to get instant access to lesson plans, slides with embedded videos, parent letters, fillable PDF student forms, and more. Once enrolled you'll receive our monthly newsletter too. It will alert you to updates and new resources. Enjoy!

Watch the video that walks you through these steps:

CYBERCIVICS. Level 1: Digital Citizenship

Curriculum   About This Course

Course Overview

▼ Introduction

○ ▶ REQUIRED VIEWING: Overview of Level 1
○ 🗎 REQUIRED READING: Let's Get Started!
○ 🗎 Teaching Cyber Civics at Home Guide *optional*
○ 🗎 Parent/Guardian Letter: What Is Cyber Civics? *optional*

When you select a lesson, this is what you will see. There are Google Slides with embedded videos for each lesson (optional). Under "Downloads" you'll find the Lesson Plan, Student Packets (fillable PDF forms) and, sometimes, Homework.

Don't hesitate to ask for help!

- We provide complimentary online tutorials to any teacher who needs help.

- We offer professional development webinars for teachers AND parent presentations too!

- There's also a Facebook Group where teachers share best practices:
