- CURRICULUM IS COMPREHENSIVE. Lessons scaffold skills.
- INNOVATIVE HANDS-ON ACTIVITIES fit any type of educational setting.
- DESIGNED IN THE CLASSROOM by practicing teachers.
- DIGITAL DELIVERY TO TEACHERS = rapidly updated content based on user feedback and an ever-evolving digital world.

At the heart of every Cyber Civics lesson is a hands-on inquiry-based investigation. As students move through each level they negotiate and create the social norms that will guide their future online practices.

“
 Since instituting this three-year middle school series, the school has nearly eliminated bullying and behavioral issues and significantly boosted standardized test scores. 'What has been a small investment has paid off tenfold,' says Shaheer Faltas, the Journey School principal who instituted the program.

- Education Week

Cyber Civics lays a strong foundation for healthy digital ethics, information and computer literacy so when children face inevitable, difficult choices online, they will make the right decisions.

- Dr. Paul Helfrich, Teacher, Westside Waldorf School, Los Angeles, CA

An excellent resource to teach students how to be safe and wise online. The activities, videos, resources and support staff are top-notch.

- Morgan Hensley, Teacher, Southwestern Middle School, Hanover, IN
