- **DESIGNED** by practicing teachers.
- **DIGITAL DELIVERY** = rapidly updated content based on user feedback and an ever-evolving digital world.

- **FULL SUPPORT** every step of the way with free tutorials, teacher professional development (PD), and parent presentations.

At the heart of every Cyber Civics lesson is a hands-on inquiry-based investigation that trains students to become tomorrow's digital leaders. As students move through each level they negotiate and create the social norms that will guide their future online practices.

*Excellent resource to teach students **how to be safe and wise online**. The activities, videos, resources and support staff are all top-notch.*

- Morgan Hensley, Teacher, Southwestern Middle School, Hanover, IN

*Through Cyber Civics, our students gain **not just digital skills, but digital wisdom.** They learn to think critically about media, communicate with empathy, and navigate online spaces with integrity.*

- Gavin Keller, Administrator, Journey School, Aliso Viejo, CA

*Continues to be one of the **best investments we make in curriculum.***

- Vanessa Baker, Principal, Socrates Academy, Matthews, NC
