At the heart of every Cyber Civics lesson is a hands-on inquiry-based investigation that trains students to become tomorrow's digital leaders. As students move through each level they negotiate and create the social norms that will guide their future online practices.

*An excellent resource to teach students how to be safe and wise online. The activities, videos, resources and support staff are all top-notch.*

- Morgan Hensley, Teacher, Southwestern Middle School, Hanover, IN

*Cyber Civics lays a strong foundation for healthy digital ethics, information and computer literacy so when children face inevitable, difficult choices online, they will make the right decisions.*

- Dr. Paul Helfrich, Teacher, Westside Waldorf School, Los Angeles, CA

*An intentional deep dive that teaches emotional intelligence as much as it does digital citizenship.*
